

A Church-wide Covenant of Prayer, Renewal and Unity

Because we believe this is a most crucial time for our church to seek God's face and find His perfect will; and

Because we desire deeper surrender and closeness with Christ as we seek a pastor; and

Because we understand it is only the fervent prayers of yielded, unified hearts that avail much;

We therefore covenant to fully humble ourselves and pray, seek God's face, and turn from wicked ways.

We covenant to embrace a special season of fervent prayer spiritual preparation and united faith for God's greater moving in our midst.

We covenant corporately and individually to seek God through five specific steps of action:

We commit to embrace our Church's initiatives for deepening our prayers and closeness with Jesus.

We commit to embrace our Church's initiatives for deep heart preparation and full yielding to Christ's Lordship.

We commit to embrace our Church's initiatives for loving fellowship and unified faith for a new day of ministry and growth.

We commit to pray fervently and regularly for our Church, our leadership, our transition/search teams, our future pastor, and mighty church-wide revival.

We commit to trust God for deep renewal, clear guidance, and a powerful new beginning for Beech Grove Baptist Church. May Christ alone be praised, and His kingdom come in all the earth.

I hereby pledge this personal covenant to join my church in fervent prayer, full surrender, and united faith for a greater day of ministry and growth.
